Building Maintenance Group needs your help...

Every Thursday evening from about 6pm to about 8:30 pm Cary and his small crew have been meeting at the club to whittle away on the long list of Building Maintenance needs. They could ALWAYS use extra helpers. You do not need to have any special training or talents. There is a wide variety of jobs that needs to be done; most of them require no special skill. No need to call ahead: just show up and Cary will give you something to do! Questions? Call Cary Lamoure 519-738-4993.

The lounge needs painting. This is a fairly large job and will require at least six or seven additional helpers over about 3 or 4 evenings in the early fall – if you are prepared to help in this painting project please contact Cary Lamoure 519-738-4993.
